The Friars, Chelmsford. This is one of the many interesting and curious old houses which are still to be found in the old street of Chelmsford, which was formerly a manor of the Bishops of London. Bishop Maurice (*temp.* Henry I.) built a stone bridge over the Cann and diverted into the town the public highway formerly passing through Writtle, thereby making Chelmsford the great thoroughfare to Suffolk and Norfolk.

(FOR ADDRESS ONLY.)

June 22/14
Leicester
